Information on how to ride

The screenshot shows the Oakville Transit website interface. At the top, there is a navigation bar with the Oakville Transit logo, a search bar labeled "Search Oakville Transit", and menu items for "Schedules and Maps", "Fares", "Accessibility", "Riding With Us", and "About Us". Below the navigation bar, there are four news update cards on the left and a large photo of an electric bus on the right.

Labour Relations Update
Town and Unifor Local 1256 reach new collective agreement

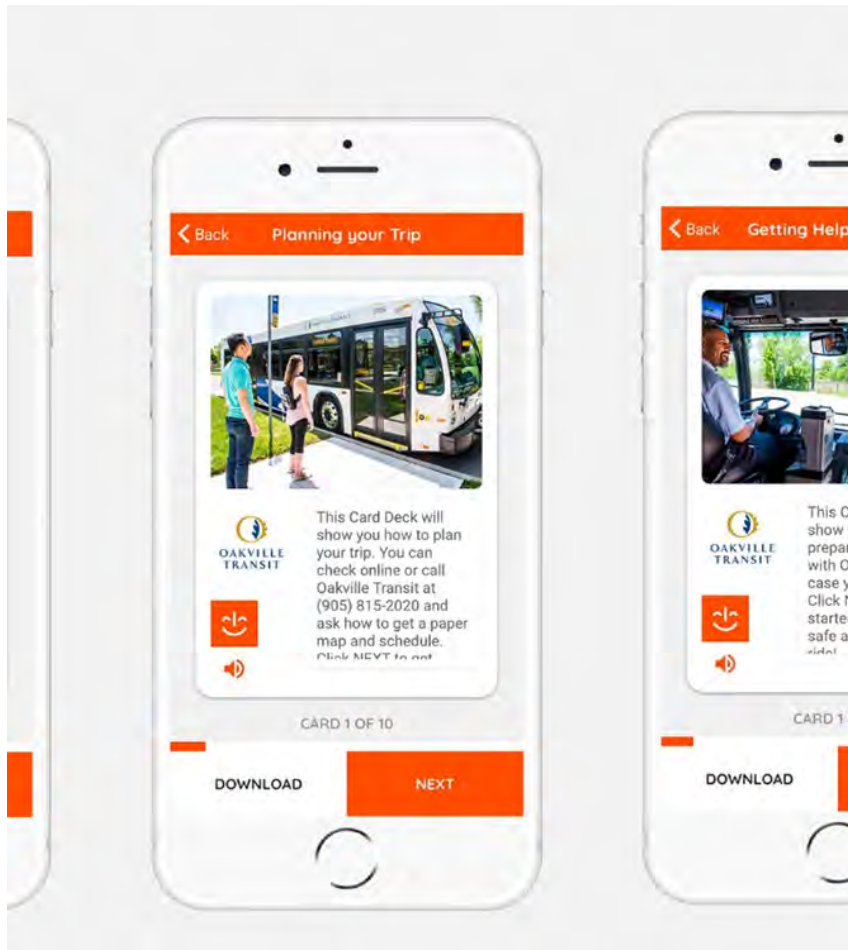

Schedule updates on select routes
Routes 20, 190 and School Special 71

We're electric!
Expanding our electric bus fleet

Family Day transit service
Buses will operate on a Sunday schedule

The photo shows a blue electric bus with the number 2401 and the Oakville Transit logo. The side of the bus features a large graphic with the text "WE'RE ELECTRIC" in yellow and blue, set against a background of lightning bolts and a starry sky. The bus is parked in a large, well-lit garage or depot.
