The Study

The Town of Halton Hills is updating its Mobility Master Plan (formerly known as the Transportation Master Plan) to guide the development of its transportation system over the next 25 years. With expected population growth, changing living/working/travelling preferences, and increased environmental awareness, the Town needs a Mobility Master Plan for a transportation system that will grow and change with us.

Mobility Master Plan

The new Mobility Master Plan (MMP) will be a comprehensive strategy that supports future mobility planning with an emphasis on moving people by all modes of travel. It will build upon and integrate with other approved strategies and plans related to walking, cycling, transit, trucks, and automobile travel within Halton Hills from today to 2051.

The Process

The study is being conducted in accordance with the Municipal Class Environmental Assessment process for Master Plans under the Environmental Assessment Act and will satisfy Phases 1 (Identify Problem and Opportunity) and 2 (Identify and Evaluate Alternative Solutions) of the process. The final deliverable will be a long-term strategy to guide transportation actions, policies, and investments in Halton Hills over the next 25 years.

Get Involved

The Town will hold three rounds of public engagement at key study milestones to seek public opinion, invite discussion on prospective solutions, and present recommendations. The first round of in-person public open houses will be held in May 2025.

Your input is important! Come out and meet the team, learn more about the study, and share your vision for transportation in Halton Hills. Stay involved by visiting the MMP project page on letstalkhaltonhills.ca/MMP. Learn more about the project, access resources, complete the online survey, and continue to engage with the project team.

Public Open House Meeting and Presentation

Join us to learn more about the Mobility Plan and share your ideas about transportation in our growing town. Everyone is encouraged to participate.

Date: May 13, 2025, 6-8 p.m.

Location: Gellert Community Centre
(10241 Eighth Line, Georgetown, ON, L7G 0K8)

Online Survey

Tell us about your travel preferences and share your transportation priorities for Halton Hills on the project page. Complete the survey by May 30, 2025, and you'll be entered for a chance to win 1 of 3 \$50 SportChek gift cards! Visit letstalkhaltonhills.ca/MMP to complete the survey.
